

Katimavik School Council - Subway Sandwiches

Due Date: Friday, April 22, 2022

School Council is excited to bring back a hot lunch offering to our students and starting in May we will be offering the Subway lunch program. Subway provides several sandwich options that meet the Healthy School Food Guidelines. Subway will be served at the first nutrition break on Tuesdays.

The program will run for 6 weeks with Subway sandwiches served every Tuesday from May 3rd until June 7th. Please note that you must select the same sandwich for the 6 weeks and extra sandwiches will not be available for sale.

Funds raised will support experiential learning initiatives at Katimavik. With the support of the March Road location of Subway a variety of sandwich options are available where students can customize their sandwich with preferred veggies and sauce.
